Who is F&BFOFFC?

The Food & Beverage Family of Friends for Charity began in 2001. The group's sole purpose is to raise money for the Horry County Shelter Home (For Kids) F&BFOFFC is a licensed for Non-Profit Organization. F&BFOFFC began delivering clothes and toys to the shelter our inaugural year. The Shelter provides a clean, safe, homelike environment for abused and neglected children of Horry County. The children range in age from birth to seventeen. The length of stay is usually limited to ninety days. There is a girl's home and a boy's home on the property. These houses were donated years ago and moved to the current location from the beach. These donated houses are always in need of repair and maintenance. The occupancy of 20 to 30 children at all times creates tremendous wear and tear on these homes.

Our inaugural 2002 benefit raised money to purchase and install a new playground. We funded the replacement of the HVAC, ductwork, and carpet in the girl's home in 2003. The next two years included, door replacements, a paved bike path and, an exterior pressure washing of both homes. 2005 brought new furniture at a cost of \$18,000.00.

The current update is that we are now focused on a building fund to acquire a new facility. The last three years we have raised more than \$92,000.00. We raise all our funds through our annual Christmas Gala and Golf Outing.. All our members are volunteers, there are no salaries! All the acquired funds are for the Horry County Shelter Home. Please help us in our cause by participating, attending, donating, or volunteering. This is the ultimate local charity and all the money stays here!

Thanks,

F&BFOFFC
