Who is F&BFOFFC?

The Food & Beverage Family of Friends for Charity is an organization founded in 2001. We are a licensed non-profit organization. All of our members are volunteers. There are no salaries or compensations. Through our Annual Christmas Gala and our Annual Golf Outing we have raised funds for the needs of the Horry County Shelter Home for Children for the last 8 years. Sadly, the Shelter Home for Children ceased operations in the summer of 2009. However, there are still great needs in our county for children who cannot afford necessities for school & home.

The F&B Family is still committed to providing for these children (winter coats, school clothing, toys at Christmas, counseling, tutoring, food for their homes, etc.) Your participation in our fundraisers is greatly appreciated. These events are always fun and rewarding for all involved. In addition, all the acquired funds are for Horry County children, so your donations stay here! Please help us by volunteering, donating, attending, or playing. Thank you, F&BFOFFC

IN MEMORY OF JOHN ELVIN

The Food & Beverage Family of Friends for Charity would like to dedicate this year's golf outing to our dear friend John Elvin. He was a retired New Jersey detective who served in the US Navy. He was past member and president of West Milford Board of Education and enjoyed coaching little league baseball. He loved playing golf and was an avid sports fan. John was devoted family man, a loving husband, and father.

Unfortunately, we lost John to cancer this year. Therefore, we are donating part of our proceeds to Hospice in his honor. John was a super person with a wonderful smile that would light up a room and he is truly missed.
